

Welcome to Attitash Mountain Village!

To make your check-in experience and stay with us smooth and enjoyable, we'd appreciate your taking the time to thoroughly read the following changes for Covid-19 compliance following New Hampshire's regulations for reopening lodging:

- Due to COVID-19 related new check-in procedures and added safety measures, please expect a longer than normal check-in process and occasional lines and delays during busy periods. Your patience is greatly appreciated.
- On or before the 4:00pm check-in time on the day of your arrival you will receive a text message informing you your room is ready. Please do not come to the lobby to pre-register or check in prior to receiving that text.
 - If you have not provided us with a current cell phone, please contact the Resort 48 hours prior to your arrival to provide your cell phone information at 603.374.6500 ext. 0.
 - If you do not hear from us via text prior to 4:00pm on the day of your scheduled arrival, please call the Resort once you have arrived in Bartlett, and we will provide you with additional information on how to proceed with check-in. The front desk can be reached at 603.374.6500 ext. 0.
- We have express checkout available and encourage you to contact the front desk from your room when you are ready to vacate on your scheduled departure date.
- The fitness center, pool and hot tubs will be open during your stay.
- Amenities such as tennis, basketball, and ping pong will be open and available to our guests. Outdoor grills are available for use but we are unable to provide grilling utensils at this time. Please visit our beach on the Saco River, and enjoy our hiking and biking trails as well. Please practice social distancing while using these amenities.
- As this is a very dynamic situation please check our Resort website [Covid-19 update page](#) for any new information we receive from Governor Sununu or the NH Re-opening Task Force regarding guidelines for lodging.

Thank you for putting your trust in us and for coming to stay at our resort.
